

Wisconsin Education Fairs, Inc.

---

September 2011

Dear School Counselor:

UW-Whitewater AND Delavan-Darien High School will be hosting a **2011 Wisconsin Education Fair (WEF)**. We look forward to this event which will provide you and your students the opportunity to explore a variety of post-secondary options. Please consider bussing your students to this great event!

**Date:** Tuesday, October 11, 2011  
**Time:** 9:00am – 11:00am  
**Location:** Delavan-Darien High School Gymnasium  
150 Cummings Street, Delavan, WI 53115.

**New this year - electronic scanners.** Students will no longer need to fill out prospective student cards at the fair, however, advanced registration is important. Please encourage your students to register online before the fair. Registration is located at: [www.wefs.org/registration](http://www.wefs.org/registration). A successful model of registration is during school hours. Many school counselors and teachers are taking classes to computer labs to register. We encourage your students to print 2 copies of their registration (one for them to keep and one for you to take to the fair...just in case).

Enclosed is a poster for you to display in your school to advertise the WEF. The “QR” code at the bottom of the poster also allows students to register with their smartphone!

Please e-mail the number of students and time of arrival to [moldenht@uww.edu](mailto:moldenht@uww.edu) as soon as possible. I look forward to your arrival and wish you a safe trip. Thank you for your involvement with your students and the WEF events!

**For more information, please reference the WEF website:**

<http://www.wefs.org>

Sincerely,

A handwritten signature in blue ink that reads 'Troy Moldenhauer'.

Troy Moldenhauer  
Associate Director of Admissions  
WEF Site Coordinator
