

Dear WEF Representative;

The La Crosse Wisconsin Education Fair will be held on Monday, October 3, 2011. The WEF will be again held at the La Crosse Center, 300 Second Street, times of the WEF are 9:00am to 1:00 pm. The WEF is held in conjunction with a Career Expo where 2100 juniors will also be able to attend career seminars of their choice. Because of the length of the WEF, there is a lunch break built into the day where we will provide box lunches for you. Because of providing the lunches there is NOT a hospitality room for you (so grab your breakfast before the WEF). Directions to La Crosse are on the WEF website, parking the day of the event is located in the parking ramp at 3rd Street and Jay Street, do not park in the 2nd Street drop off area (front of La Crosse Center) since it is for school buses only. Hotel and restaurant information are below and on the WEF website. Please pass this information on to the representative that will be attending the La Crosse WEF and feel free to contact me with any questions.

Enjoy your stay in La Crosse!
